

WELCOME TO ICCSSA

Are you a community college student services employee? If so, then your community college has already paid your membership dues and you are automatically an ICCSSA member! ICCSSA is a statewide association that brings together Iowa community college staff members to offer networking and professional development opportunities. An annual drive-in conference is offered each summer to allow members to meet during roundtable discussions, enjoy a keynote speaker, and present to one another during break-out sessions. A two-day annual fall conference is held each October with the exception of Fall 2020 due to COVID-19 limitations.

We are excited to connect with you each month via the new ICCSSA newsletter and sub-group Zoom meetings.

SUB-GROUP SPOTLIGHT

Chair: Rachel Evans

Career Services serves a valuable purpose in higher education, covering a wide range of topics under the career readiness umbrella, including but not limited to: career exploration, application document preparation, job search strategies, and employer connections. As a sub-group, they discuss best practices and new trends and provide overall support to one another as they progress through this ever-changing industry.

Career Service employees are invited to join the sub-group [zoom meeting](#): Thursday, October 22

FALL CONFERENCE UPDATE

Due to the pandemic, the ICCSSA Board has chosen not to host the Fall Conference on October 1 and October 2. We hope to resume with our annual Fall Conference in October of 2021. In the meantime, we will be posting various virtual training videos, presented by ICCSSA members, in this monthly newsletter. We hope you will consider sharing a recorded presentation or a live webinar based on your different areas of expertise. You can submit presentations through our [online submissions website](#).

We look forward to hearing from you!
