

SAVE THE DATE!

ICC SSA FALL CONFERENCE

October 7th and 8th, 2021

Iowa Central Community College

Fort Dodge, Iowa

A MESSAGE FROM THE ICC SSA PRESIDENT

SAMANTHA REEVES

Did you know, ICC SSA has subgroups in the following areas:

- Admissions
- Advising
- Campus Life
- Career Services
- Concurrent Enrollment/High School relations
- Counseling
- Registrar/Registration
- TRIO

Greetings fellow Iowa Community College Student Services Association (ICC SSA) members! I am Samantha Reeves and am excited to serve as your 2021-2022 ICC SSA board president. I work at Iowa Central Community College, Fort Dodge, as the Student Resource & Accommodations Director. I have a passion for helping students navigate the barriers of higher education and provide them the access they need to set them up for success. My career at Iowa Central started off as an admissions/advisor counselor and is where I was first introduced to ICC SSA. After attending a few conferences, I was encouraged to become a member of the executive board. Being a member of ICC SSA and board member has provided me an opportunity to expand my network and create relationships with other individuals that are passionate about student services.

I would like to welcome new and current members to the organization and thank you for your dedication to student services. ICC SSA was established in 1969 with the goal of connecting and supporting student services professionals in all of Iowa's community colleges. The executive board continues the mission established years ago by creating professional development opportunities and time to connect with colleagues across the state.

The board has been working hard on developing a comprehensive fall conference that will be hosted at Iowa Central Community College, Fort Dodge: October 7th & 8th. We look forward to bringing attendees a fun and meaningful conference with many takeaways to apply to your profession.

The ICC SSA board will be sending out additional conference information in the next month's newsletter, so all we ask is for you to save the date and invite a student services friend!
